

To Whom It May Concern,

I am writing to urge you to make NO CHANGES to the New Jersey 'Do Not Call' legislation, nor to suggest that any changes be made.

The number of solicitation calls we regularly received during our dinner hour was truly disruptive in the past. Telephone solicitors were unwelcome visitors to nearly every hour of the evening.

Since the 'Do Not Call' legislation was put into effect, we have experienced a tremendous relief; we no longer are afraid to answer our telephone!

Please: if you feel changes are necessary, strengthen the federal law, do not weaken our state statute.
